| Manufacturer Name    | Noxion LED Floodlight ProBeam V2.0 130/170/210W MAX 29400lm 3CCT Asymmetrical (with Zhaga socket) |
| Budgetlight warranty | 6 Years                                                                                           |
| Average Lifetime (h) | 150000                                                                                            |

## Technical Information

|                             |                                                 |
|-----------------------------|-------------------------------------------------|
| Technology                  | LED Integrated                                  |
| Wattage                     | 210W                                            |
| Replaces (Watt)             | 600                                             |
| Voltage (V)                 | 220-240                                         |
| Dimmable                    | Not Dimmable                                    |
| Colour Code                 | 830 Warm White, 840 Cool White, 865 Daylight    |
| Colour temperature (Kelvin) | 3000 Warm White, 4000 Cool White, 6500 Daylight |
| Colour Rendering (Ra)       | 80-89                                           |
| Colour of Light             | White                                           |
| Light Colour Options        | CCT                                             |
| Luminous Flux (Lumen)       | 29400lm                                         |

|                     |                |
|---------------------|----------------|
| Lumen per watt      | 140            |
| Beam Angle (degree) | 60             |
| Tiltable            | Yes            |
| Powerfactor         | >0.90          |
| Type product        | LED Floodlight |

## Fixture Information

|                        |                 |
|------------------------|-----------------|
| Mounting Method        | Surface         |
| Fixture Connection     | Cable 100cm     |
| Optische Afdekking     | Glass           |
| Lichtdistributie       | Asymmetrical    |
| IP-rating              | IP66            |
| Impact Protection (IK) | IK08 - 5 joules |
| Bedrijfstemperatuur    | 0 to +75        |
| Colour of the Fixture  | Black           |
| Housing                | Aluminium       |
| Product Serie          | ProBeam         |

## Dimensions

|             |     |
|-------------|-----|
| Length (mm) | 412 |
| Width (mm)  | 54  |
| Height (mm) | 360 |

## Why Budgetlight?

## Sensor Information

|                |                                                                                                                                  |                                                                                                                    |
